Wakefield Westgate	1055 1118
Doncaster	1136

Julie's 61st birthday. We met Hannah at Frenchgate Shopping Centre in Doncaster, and I left them for a train ride. I like the Northern Units, but LNER's Avantis feel cramped when they are full, with no decent view. Having watched lovely BR videos of "seeing Britain by train" you realise how much worse things are now. Though the Costa at Wakefield is probably better than anything Travellers Fare could have managed.
